Three Projects To Occupy Pahokee's Garden Club Group

Pahokee Garden Club is working on three important projects as the season gets underway. They are the annual fruit cake sale, getting Ixora cuttings started for the extension of Ixora ark, and Holiday House, which has been scheduled for Dec. 18.

At the first luncheon meeting of the season Tuesday at the home of Mrs. Norman Kennedy, Mrs. W. A. Keen, chairman of fruit cake sales. Members will start solicitations for sales within the next week, and the club hopes to top its record of 1,014 lbs. of cake sold last year with the addition of the Thanksgiving sales, Mrs. Keen said.

Mrs. Lloyd Hundley, who presided in the absence of the president Mrs. O. R. Bleech, reported club members have started the rooting of 639 Ixora cuttings for the extension of Ixora Park. The club hopes to complete this project this year.

Mrs. H. M. McIntosh, chairman of the Holiday House committee, listed the following homes to be decorated in the Holiday House program; the home of Mr. and Mrs. Norman Kennedy, Mr. and Mrs. Frank Friend, Mr. and Mrs. Bill Plumer, and Mr. and Mrs. L. L. Shirley. Mr. and Mrs. Don Hillier's Grassy Water Motel, will feature outside decorations.

Members will continue work days each Thursday to make Christmas decorations which will be offered for sale at Holiday House. The club also voted to purchase 25 flower arrangement calendars for the sale.

Mrs. J. M. Elliott, chairman of Junior gardens, reported 80 child (continued on page 8)

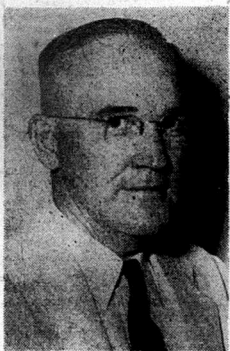

Blue Devils Face Lake Worth Squad Over There Tonight

Following their surprising 19-3 victory over Seacrest on Lair Field last Friday the Pahokee Blue Devils are traveling this evening to Lake Worth and will have their hands full when they meet the Trojans, who, after dropping their opener to Vero Beach, 7-12, came back strong to win over Belle Glade and Titusville and were so-hepped-up last Friday night that they pulled their biggest upset in recent years by defeating their traditional rivals, the Palm Beach Wildcat, 14-13.

The Blue Devils seemed to have shaken the flu from their bones and were a much improved squad in demonstrating their supremacy over the Seabawks Friday night although they were rather slow in getting started.

In the first quarter the Seabawks after their center, Tom Darr, recovered a Pahokee fumble on the Pahokee 47, moved the ball, with the assistance of 20 yards of Blue Devil penalties, to the Pahokee 47. After three attempts to break through the Pahokee line and getting only two yards, the Seabawks (continued on page 8)

EVANGELIST

Rev. Hoke Shirley of Orlando will conduct revival services at Canal Point Baptist church beginning Sunday night at the 7:30 services. Rev. Shirley is a former pastor of the First Baptist Church in Pahokee and has a host of friends there who will want to hear him while he is preaching in Canal Point. Rev. and Mrs. Shirley will be guests at Cypress Lodge in Port Mayaca during the revival which starts Sunday and lasts for one week.

Jess Elliott Heads Hospital Board; Excellent Report

Members of the Northwestern Palm Beach County Hospital Board at the annual dinner meeting in the Elks Club building at Pahokee Monday night elected Jess M. Elliott, board chairman; W. O. (Bill) Moss, vice chairman, and members of the board are: O. H. Robert Aepelgren, secretary. Other Sheppard and D. L. Hooks.

Chairman Elliott, acting as master of ceremonies at the dinner, introduced Luke W. Dufresne, administrator of the Everglades Memorial Hospital, who reported on activities at the hospital. The speaker, who came to Pahokee from the State Hospital at Lantana three months ago, said Everglades Memorial has a high rating for a small hospital and with its excellent medical staff, modern equipment and fresh stock of supplies is in a position to render invaluable service to the community and its environs.

During the past year Everglades Memorial admitted 1,304 patients for a total of 7,682 hours of hospital care. Of these 1,073 were private patients; 183, clinic; 41, County charity, and 4, Rotary charity, according to the report. Current improvement projects at the hospital include the repainting of the interior, the installation of acoustic ceiling tile for added quietness, and the overhauling of the institution's heating system. An improvement urgently needed at the present time is the rebuilding of the road system on the hospital grounds, Mr. Dufresne said. This is an obligation of the City of Pahokee since the City owns the property and leases it to the hospital board.

Guests for the dinner were: (continued on page 8)

Revival To Start Sunday At Baptist Church Canal Point

The Canal Point Baptist Church Revival begins Sunday, October 20, and will continue through Sunday October 27. Rev. Hoke Shirley, Sr., a former Pastor of the Pahokee Baptist Church, will do the preaching in this meeting. The music will be under the direction of Mr. and Mrs. Martin B. Bradley, of Nashville, Tennessee. The morning services, beginning Monday, will be from 7:30 to 8 a. m. The evening services will begin at 7:30 p. m. Plans are completed for a brief prayer service each evening 7:15, in the S. S. Rooms, one group for men, and one group for women. The choir will assemble at 7:15. The people of the entire community are asked and urged to worship with the Canal Point Baptist Church.

The Hospitality Committee has all arrangements completed for the comfort and pleasure of the visiting Minister and Singers. The Bradleys will stay in the home of the Pastor, Mrs. Bradley is the daughter of Rev. and Mrs. Stewart. Rev. and Mrs. Shirley will have a room with Col. and Mrs. W. E. Evans at the Cypress Lodge. Dinners and suppers will be served in various homes.

The Decorating Committee of the Canal Point Baptist Church has worked hard and long, but the entire project is now completed. The walls of the Auditorium have been painted a beautiful, restful green. The Venetian Blinds at the six windows are of the same shade of color as the walls. The new carpet blends in well with the wall color. (continued on page 8)

H. H. Branch, Inc., New Brokerage Co.

H. H. Branch, Inc., is a new vegetable brokerage firm which is in operation in the Glades for the first time this season. It is headed by Hugh Branch who has been connected with local brokerage firms for more than seven years. Hugh started in the business with Max E. Beverly, Inc., in Pahokee in 1951. Hugh has been a resident of the Glades since 1936 and lives with Mrs. Branch, a daughter and son, in Pahokee.

The new firm will occupy handsome new offices recently constructed on the State Market platform in Pahokee. Julian Branch, a brother of Hugh, will be associated with the firm and Mrs. Hugh Branch will be in the bookkeeping department. Andy Culberson will also be associated with the firm and make his headquarters in Pompano during the winter season.

The concern will have one label — CHIP. The label was designed and named for their son, Chip. Julian Branch was chief builder of the new offices this past summer while Hugh was on the vegetable deal in Michigan. The office building contains three nice offices rooms with air conditioning. The architecture is quite simple (continued on page 8)

SONG LEADER

Martin Bradley of Nashville, Tenn., will lead the singing at the Canal Point Baptist Church during the revival which starts Sunday. Mr. Bradley is statistician for the Southern Baptist Convention in Nashville, he is associate editor of the Quarterly Review, a deacon in the First Baptist church in Nashville, a member of the budget committee of that church, active in Sunday School and Training Union work. His wife is the daughter of Rev. and Mrs. Charles D. Stewart of Canal Point.

327 Paid Members In Pahokee PTA On Report Made Oct. 14

The Pahokee Parent-Teacher Association had a total of 327 paid-up members on Oct. 14, according to a report given by Mrs. Herman Kautz, membership chairman, at the October PTA meeting held in the high school auditorium Monday night with Mrs. Roy Vandegrift, Jr., president presiding. Mrs. Hommie Lee DuBose's Sixth Grade at the elementary school is the first school group to report 100 per cent membership of parents in PTA, Mrs. Kautz said.

Pelix Slonaker, chairman of the PTA Halloween Carnival, reported that the parade of costumes for children, first through the sixth grades, will take place on Lair Field one-half hour before the opening of the carnival and prizes will be awarded to children whose costumes are judged to be the most typical of Halloween.

A proposed PTA budget for the current fiscal year, submitted at the meeting by Mr. Slonaker as finance chairman, was adopted by the group.

Upon recommendation by the executive board, it was voted that PTA furnish refreshments at all regular PTA monthly meetings and at meetings of the Junior Red Cross held at the school; also that PTA present a past president's pin to Mrs. Ellsworth Keen.

The monthly attendance awards were won by Mrs. Kathryn Cunningham's first grade room at the elementary school and by the eighth grade at the high school, Mrs. J. R. York and Robert Maxson, faculty sponsors.

Pahokee Girl Scout Troop 35 members served as ushers, presented the colors and led the pledge (continued on page 8)

Parking Meters To Receive Study By Pahokee Council

The Pahokee City Council in regular session Monday night placed its sights again on the recurring problem of parking cars in the business section of the city. A survey was made several months ago preliminary to the installation of parking meters, however, the Council backed down at that time under a storm of protest from residents and the meters were never installed. It was decided to review all the data gathered in the original survey and if it appears there is no solution to the parking problem other than the installation of meters, a vote to install the meters will be taken at the Oct. 28th meeting.

It was voted to build at the city's expense new sidewalks on SE First St. in front of the elementary school building from the alley west of the building to Barfield Highway and on Barfield Highway in front of Lair Athletic Field from SE First St. to the East Main St.

The petition submitted at the last meeting by property owners of SE First St. in Verville subdivision that a sidewalk be constructed in front of their property, provided a walk would also be built in front of the school grounds, was accepted by the Council. This sidewalk will be paid for by the property owners through special assessments. This section of SE First St. will be rebuilt at the same time the sidewalk is constructed and, upon request by property owners, it was decided to maintain the street level at its present elevation to avoid possible flooding of the homesites during periods of excessive rainfall.

State Sen. Carlton Will Address The Pahokee Baptists

State Senator Doyle E. Carlton, Jr., Wauchula, state president of the Baptist Church Brotherhood, will be the featured speaker next Tuesday night, Oct. 22 at the Pahokee First Baptist Church Brotherhood at a Ladies Night dinner meeting at 7:30 o'clock. The speaker is the son of former governor, Doyle E. Carlton of Tampa who is also widely known in Baptist church circles in Florida.

Senator Carlton will be accompanied to Pahokee from Wauchula by Mr. and Mrs. Lawrence Jaudon, former Pahokee residents. An interesting program has been planned for the evening, including a ladies quartet and many "old timey" songs.

Frank Thompson and his committee promised plenty of food for the occasion and he says that green beans and ham will be the main dish on the menu. All men and women of the First Baptist Church in Pahokee are invited.

Selma Bowen of Canal Point underwent surgery at Good Samaritan Hospital, West Palm Beach, on Monday.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

The County Commission Monday took several steps to speed up its capital improvement program.

The board authorized calling for bids for construction of a new welcome station at Jupiter and approved sale of the old station at Juno.

Authorized a call for bids for remodeling the Datura St. office building after the county engineer has checked the plans.

Will receive bids on Oct. 28 for paving a section of County Road in Palm Beach.

Named Phil Clarke as architect for a new county stockade for which a \$50,000 construction item is set up in the current budget.

Decided to redraft plans for a sewer system for the Negro Children's Home. The board previously rejected all bids on the project.

Instructed the right of way and legal department to complete negotiations for land needed as a site for a new county health building.

In other actions the board voted to change its plat laws to provide for 40 foot right of way with a 20 foot roadway on secondary roads in trailer parks.

Were advised against returning \$16.06 to Robert Nichols, Riviera Beach, an amount which Nichols said he paid as court costs when a traffic charge against him was dropped.

Owners of Hidden Valley subdivision near Delray Beach ran into difficulty with the county commission this week, with the board declining to approve the de-

velopment because it now fails to meet specifications of county plat regulations.

Robert Sullivan, owner, appeared before the board to explain plans for bringing the subdivision up to county standards but the commission ruled that until requirements are met the plat will not gain approval.

Meantime Sullivan admitted he has prepared a colorful brochure for land sales even though the plat has not been approved.

Sullivan told the commission that some \$350,000 has already been spent in developing the area, including construction of a golf course and other improvements. He also told the board that he has been making plans for adequate drainage for the area which includes construction of a canal from the area to the intercoastal waterway.

He said attempts had been made to improve the E-4 canal but that these efforts had been unsuccessful because of inability to gain cooperation from the Lake Worth Drainage District. Sullivan said the LWDD no longer maintains E-4 and has no plans at present for the canal.

The commission advised Sullivan that they would consider approval of his plat at such time as he is able to show the drainage is being carried out through an outlet that can be maintained for public use for all times—probably through creation of a drainage district.

Woodrow Wilson High School in Long Beach on June 15, 1956, the now quite adult Miss Patton telephone her agent. "I'm ready," she said. In less than a week the shapely, blue-eyed beauty had a role in a picture. Now we are all watching the young star, for she is on her way up! See you at the movies —Mal.

Cinematic Chatter

By Malcolm Millar

Hello everybody! Luana Patton, at a tender age in her life was playing in the sand with her mother near her home in Long Beach, California, when a commercial photographer roaming the beach in search of photogenic children spied her and knew she was the answer to a soap ad photographer's dream. Luana graduated quickly from inside-soap ads to magazine covers, but her modeling career was cut short when she was six by a man named Walt Disney, who selected her to star in his picture "Song Of The South." An over-night movie star, Luana continued to star in both films and television until she reached the gangling stage. Then this beautiful adolescent decided to ditch her career and concentrate on her high school education. Luana called her agent and said, "I'm not big enough to play big girls and I'm too big for little ones, so I'm not taking any more jobs. Her agent and her parents too were proud of the child who could reach such a decision independently, for it meant giving up a considerable degree of fame to become an anonymous school girl. But Hollywood didn't forget Luana. Upon her graduation from

Identical Bids For Co. Insurance

County commissioners expressed surprise this week when the board opened bids for insurance on its three airports and found the majority of bids to be the same figure—right down to the penny.

Out of 18 bids received, 12 of the proposals were exactly the same and five other bids were all alike except slightly higher than the 12 bids.

The Plaidridge Insurance Agency of Delray Beach appeared to be the low bidder with a price of \$1,267.60 on a one-year policy and \$3,608.28 on a three-year plan. Other one-year bids ranged upward from \$1,435.08.

The bids were turned over to the purchasing department for tabulation and study.

A citation for prompt and effective action in assisting the victim of a hunting accident in Iowa last November was presented to Roy C. Fredericks, Glades area telephone company employee last Thursday. The citation was made by an official of Southern Bell Telephone and Telegraph Company in behalf of Fredericks' former employer, Northwestern Bell Telephone Company in Cedar Rapids, Iowa.

Fredericks and another telephone installer-repairman, both with Northwestern Bell at that time, were starting on a hunting trip on November 17, 1956 when their car was flagged down near

Cedar Rapids by the wife of the victim, Thomas Meek.

Mrs. Meek told them her husband had accidentally shot himself in the thigh while unloading his shotgun.

At the scene, Meek was found to be bleeding badly from a severe wound. Fredericks and the other telephone man showed the victim how to curb the bleeding by exerting pressure on the arteries, and they placed him in his car. Fredericks hurried to notify police and secured an escort. He and his co-worker rushed Meek to the hospital in time for doctors to save the victim's life.

A similar citation went to the

second telephone company employee who assisted Fredericks.

Roy C. Fredericks of Pahokee, installer-repairman with Southern Bell Telephone Company, is shown as he received a citation presented to him last Thursday in Pahokee for assisting a victim of a hunting accident near Cedar Rapids, Iowa last November. The citation was forwarded here for presentation by Northwestern Bell Telephone Company, Fredericks' former employer. From the left are Fred H. Leonard, supervising service foreman; H. D. Cannon, district plant manager; Roy C. Fredericks, installer-repairman, and Mrs. Fredericks.

Juvenile Study Is Okehed By County PTA Group In Meet

The Palm Beach County Council of Parent & Teacher Associations at a meeting at the Mounts Agricultural Building, W. Palm Beach, Tuesday morning Oct. 15 wholeheartedly approved a recommendation of its Executive Committee to have the Council engage in a full study of the Juvenile Delinquency problem in the entire county.

A committee, previously formed to investigate the feasibility of such a survey, was activated to conduct such a study. This committee, known as the Study Committee on Juvenile Delinquency, is composed of Herbert W. Kip, Chairman, who is Public Relations Chairman for the County Council and President of Northmore Elementary School P. T. A., W. Palm Beach, Mrs. Adger L. Wright, Juvenile Protection Chairman for County Council and President of West Gate Elementary P. T. A., W. Palm Beach, and Rev. Russell Toms, Citizenship Chairman for the County Council and assistant minister to the Memorial Presbyterian Church, W. Palm Beach.

Mr. Kip, Chairman of the Study Committee on Juvenile Delinquency, was the speaker during the program portion of the meeting.

Mr. Kip said it was important for the County P. T. A. to make such a study because it was most necessary at this time during the march of progress of the county to know what the youth of today are doing, what facilities are provided for them, and what the prospects are for the future for our youth.

He said the County Council, with its 15,000 membership is best equipped in the county to make such a survey. He stated this organization is composed of parents who are surely dedicated to their children's needs and who have the interests of all children firmly entrenched in their minds.

Kip stated this was definitely not a "witch hunt" and that there would be no more publicity about the project or the operations of the committee until the committee's findings and recommendations are

made public, which may be as long as a year. He said the committee would work quietly and methodically to reach its goal.

He said the four Area Vice-Presidents would be most helpful to the committee and act as liaison between the committee and the numerous P. T. A. members who would be called upon to procure factual information to supplement that acquired by the committee.

quoting Winston Churchill in saying that as far as the County Council was concerned, "this is our finest hour."

Mrs. Amel George, President of the Council presided and introduced Mrs. Howard Kiebler of St. Petersburg, State Program Chairman of Florida Congress of Parents & Teachers who attended the session to learn more about the Juvenile Study project. Mrs. Frank Meyers of Lake Worth, State Health Chairman was also present and indicated her vital interest in the Juvenile Study.

Credentials of delegates from local units to the State Convention in Orlando, Nov. 5-7th were issued and committee reports were received from various Council chairmen.

Engineers Will Meet Here Oct. 26

Palm Beach County Engineering Society will meet at the Community Hall in Canal Point on October 26 at 7 p. m., according to John T. Pickett who will act as the host for the occasion. Featured on the program for the evening will be a talk by E. A. McCabe, general manager of Pioneer Growers Cooperative. He has chosen for his topic: The Production and Marketing of Produce in the Everglades.

World Missions Receive Tidy Sum

JACKSONVILLE—An all time high of \$1,960,370.86 has been received by the Florida Baptist Convention for world missions causes, through the convention's Cooperative Program for the year ending September 30, according to Dr. John Maguire, executive secretary-treasurer.

Included in the Baptist Cooperative Program, within the state,

is the Florida Baptist Children's Home, Lakeland; ministerial education, student work, Stetson University at DeLand; Baptist Bible Institute at Graceville; and field work through the various departments of the convention. It also includes the New Work Revolving Fund, which provides funds for the building of new missions in Florida.

IN THE HOSPITAL

Miss Fanny Todd of Canal Point entered Saint Mary's hospital in West Palm Beach Tuesday and underwent an operation Thursday for removal of a cataract from one eye. Mrs. Todd is 82 years of age and in fairly good health. Her friends will wish for her a speedy recovery.

JAPAN
4 October 1957

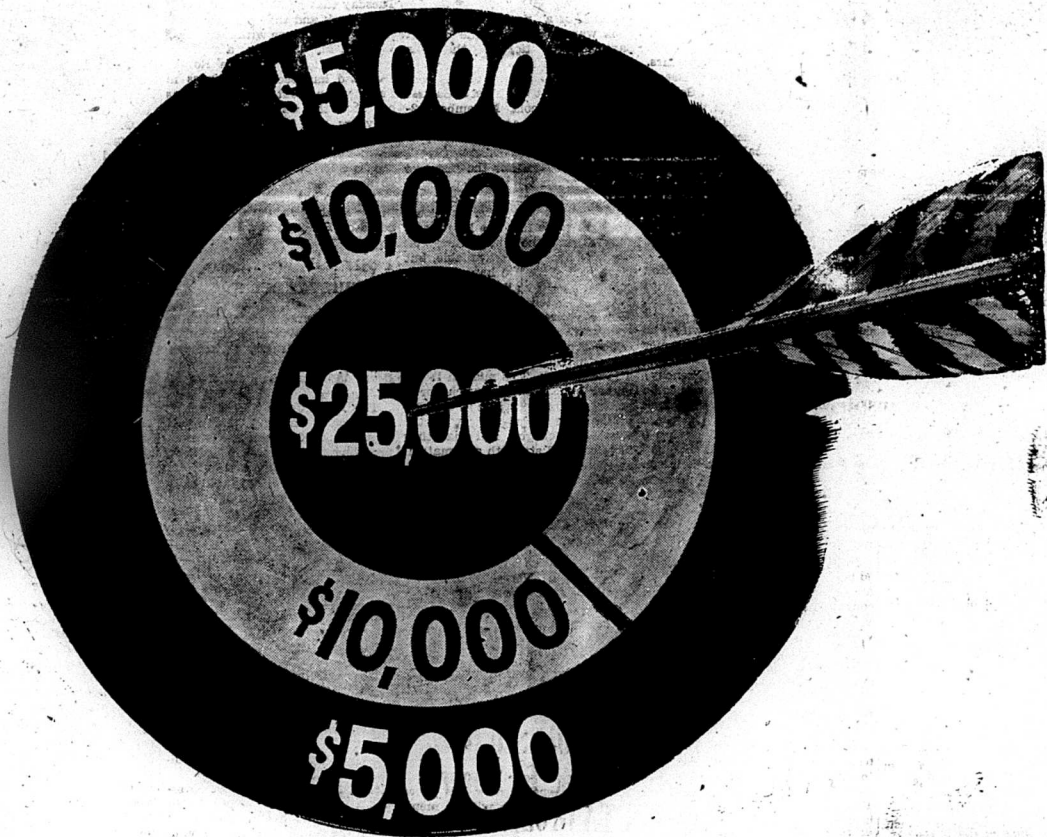

Dear Paul

I am glad to finally be able to write you a line. We have been very busy here in Japan streamlining the units here to fit the new cutback in the Air Force. The Division I was formerly in was deactivated and I am now in a group. I am doing the same job that I formerly did, but on a smaller scope.

The family is fine. As you know we have 4 girls and one boy now. They are Martha, Sharon, Ellen Sue, Timothy and Anola. We have a 3 1/2 bedroom house on base that is heated by electricity. The base here has all the modern facilities of the states. We have a bowling alley, theatre, base exchange, commissary, swimming pool, tennis courts, bank, post office, barber shops, beauty shops, clubs, garage, gymnasium, football and baseball fields, and many other items essential to good living. We have church on the base of nearly all faiths. The biggest setback here among our younger airmen is the cheap alcoholic beverages. Gin is 80c a fifth, whiskey runs from \$1.40 up to \$2.95 for the best. Haircuts are still 25c here, but are free at our N. C. O. Club. Shave is 15c. Food in the commissary is going up a little. Gasoline is 15c a gallon.

Well I had better close Paul. Enclosed find the \$2.00 I owe you. Write when you can.

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do *more* than save through Payroll Savings. You *invest* your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you *before* you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. *That means a return of up to 80% more than you originally paid.*

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

New Church A Week Is Goal Of Baptists

A goal of a new church each week was exceeded by the Florida Baptist Convention for the year ending September 30.

The annual meeting of the convention at the First Baptist Church, Pensacola, November 12-14, will hear this and other reports of its rapid growth.

A goal of a new church a week has been adopted for the last two years, but this is the first time the goal has been reached. Due to the process through which local churches come into the local associations and the convention an exact number is not available, but more than fifty-two have been reported to date with a larger number anticipated, according to Dr. John Maguire, executive secretary-treasurer.

The program usually followed is the establishment of a mission by a local church. This mission is operated by the local church for a period of time until the members of the mission, advising with the sponsoring church, feel that they have reached strength and maturity enough to conduct their own affairs. They then petition the sponsoring church to assist them in organizing as an independent church and apply for membership into the local association.

Local churches enter the associations and the Florida Baptist Convention by request of their own membership and by a vote of the association. Each Baptist body is completely autonomous, or self-governing.

The convention assists the sponsoring church in the establishing of missions through its revolving of missions through its revolving of loan fund for new work. Total assets of this fund stand at \$420,330.77. One hundred twenty-five applications had been received up to the meeting of the state board of missions, August 29-30, 1957.

The convention now has more than 1150 churches with a membership of more than 400,000.

The Reverend Earl Stallings, pastor of the First Baptist Church, Ocala, convention president, will preside over the convention. Dr. Nathan C. Brooks, Jr., is pastor of the host church.

Lt. Fremd Tells Of Pilot's Job

Moberg Resigns From Little River

Word from Miami is to the effect that Rev. Carl Moberg has resigned his pastorate at the Little River Baptist Church. Rev. Moberg was pastor of that church for several years before coming to Pahokee where he was pastor of the First Baptist Church. Leaving Pahokee he returned to the Little River church. No announcement was made in regard to his future plans.

Roscell Wilson Bags Wyoming Elk

Pahokee hunters in Wyoming had some luck Tuesday. Roscell Wilson called home Wednesday morning and said that he bagged an elk on Tuesday which tipped the scales to 650 pounds. Others on the trip are: Rupert Mock, Lewis Friend, Thadd Whidden, Bill Rogers, Dr. E. J. Graham and Joe Tom Boynton.

4,248 Receive Aid By State In Sept.

Thomas E. Penick, Chairman of District 10 Welfare Board of the State Department of Public Welfare, reported that in Palm Beach County 4,248 persons were assisted in the four categories of public assistance for the month of September.

A total of 1,614 persons received Old Age Assistance in the amount of \$82,314.00. 79 persons received Aid to the Blind, totaling \$4,475.50. 618 families, representing 1,922 children, received Aid to Dependent Children in the amount of \$38,720.00. 102 persons received Aid to the Disabled in the amount of \$5,497.50.

In addition 153 children received service during the month, 66 of whom were in foster homes. The total state and local cost for these child welfare services was \$3,908.28. Service was also given to two runaway children.

There were 2 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by Mrs. Doris Sasser, Pahokee; the Rev. Paul M. Cassem, Mrs. Helen R. Tedder and Mrs. Helen D. Woodward, West Palm Beach.

Ready Pilot Is From Canal Point

First Lt. Clarence E. Langford, son of Mrs. Evie L. Keen, Canal Point, became a qualified ready pilot in the supersonic Conqair F-102 "Delta Dagger" recently at the 48th Fighter Interceptor Squadron, Langley Air Force Base, Virginia. Commonly known as "minute men" the alert ready pilots are ready to send the all-weather "Delta Daggers" skyward in a matter of seconds after the initial "Scramble Buzzer." Lieutenant Langford has been with the 48th since July 1956. Lt. Langford is married to the former Miss Patsy Geiger of Canal Point. They have two sons and a daughter.

Pahokee Lions To Buy 3 New Lots

The Pahokee Lions Club at the Tuesday luncheon meeting, voted to increase the purchase of land on Barfield Highway from the Okeelanta Corral, to three lots with a total frontage on the highway of 123 feet. Under present plans part of this tract will be used as a site for a proposed club building and part will be held as a club investment for future sale.

Robert B. Simonson, program chairman, introduced David Watkins, Pahokee High School sophomore and an Eagle Scout who told of his visit to the Philmont Scout Ranch near Cimmaron, N. M., last summer. David earned his Eagle rating, the highest rank in Boy Scouting, while a member of Pahokee Troop 628 which is sponsored by Pahokee Lions.

Hull Sells First Corn \$4 Bushel

Walter G. Hull Packing Company offered the first sweet corn for sale on Tuesday (Oct. 15) of this week and the price was excellent—\$4.00 per bushel. Much of the corn planted early couldn't stand the wet weather and Mr. Hull was fortunate in being able to bring about 50 acres through the inclement weather. As a result the price was exceptionally good.

Seniors Are Rated By Classmates

Pahokee High School Seniors voted by their classmates to be possessed with superlative characteristics will be featured in a special section of the school's yearbook, Devil's Trail, which is now being prepared for publication next spring.

BIDS ON NEW GYM

School Board Member Thurmond Knight said yesterday that bids will be received on Nov. 8 by the school board for the new gym in Pahokee. It is estimated that the cost will run in the neighborhood of \$150,000.

Bateman Charges Are Dismissed By Supreme Court

The Florida Supreme Court Wednesday threw out a State Road Department suit seeking to recover more than \$250,000 the department claimed was misappropriated by B. W. Bateman, manager of the Overseas Road and Toll Bridge district and two Monroe County commissioners.

The court affirmed dismissal of the suit by Monroe County Circuit Judge Aquilino Lopez without comment.

The civil suit was filed as the result of an investigation in early 1954. Criminal charges against Bateman and Cottrone were dropped.

Judge Lopez dismissed the civil suit, claiming the road department was without authority to seek recovery of the funds because it was not actually involved in the alleged fraudulent contracts.

Canal Point Youth Is Jet Instructor

Lt. and Mrs. Harry Fremd and children, Skipper, Tina and Carl, are visiting his parents, Mr. and Mrs. Albert Fremd, at Canal Point while he is on leave from the Navy. Lt. Fremd joined the Navy following graduation from Pahokee High School in 1947 and attended the University of North Carolina with a Navy scholarship, graduating from the university in 1951. For the past four years he has been serving as a carrier jet plane pilot with operations in the Pacific Ocean area. He is being transferred from Moffett Field, Calif., where he was landing signal officer for Carrier Air Group 12, to Saufley Field near Pensacola, Fla., where he expects to serve as instructor in primary flight training for the next three years.

**Make your dream house come true! It's easy
—through Payroll Savings!**

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds. Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity.

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,317.29!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

If you want your interest on current income, ask your bank about Series H Bonds, which pay interest monthly by Treasury check.

Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000

Christian Science Group Of Canal Point

The vital necessity of individual application of the teachings of Christ Jesus will be emphasized at Christian Science services Sunday. Keynoting the Lesson-Sermon entitled, "Doctrine of Atonement" is the Golden Text from Psalms (80:19): "Turn us again, O Lord God of hosts, cause thy face to shine; and we shall be saved."

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (25:26-31): "Implicit faith in the Teacher and all the emotional love we can bestow on him, will never alone make us imitators of him. We must go and do likewise, else we are not improving the great blessings which our Master worked and suffered to bestow upon us."

From the Bible will be read the following (11 Corinthians 5:17): "Therefore if any man be in Christ he is a new creature: old things are passed away; behold, all things are become new."

Woman's Club To Do Cancer Work

The Pahokee Woman's Club at the first luncheon meeting of the season, held in the clubhouse on Wednesday, voted to again sponsor as a club project the house-to-house canvass in the annual fund-raising drive of the American Cancer Society for this area.

Permission was granted to the local Girl Scouts to hold troop meetings in the clubhouse without charge.

Plans were made for a benefit bake sale to be held Saturday, Oct. 26, with Mrs. George H. Tucker, Jr., finance chairman, to be in charge.

It was voted that the club make a cash donation to the Pahokee Parent-Teacher Association rather than sponsor a concessions booth at the PTA Halloween Carnival.

Mrs. Kenneth Hitchcock was named house chairman for the club. It was announced two new luncheon tables have been purchased for the clubhouse and one was donated by Mrs. W. H. Jones, Jr. Announcement was also made that the club's program luncheon meeting for Oct. 23 will be preceded by an executive board meeting at 10:30 a. m.

Mrs. Delmar Hooks and son, Stanley, accompanied by her sister, Mrs. Avery Bass, spent the past week with relatives in Georgia.

2 Seniors Chosen By BPW Club As Representatives

The Pahokee Business and Professional Women's Club has selected two Pahokee High School Senior girls as "student representatives" to attend the monthly social and program meetings of the club through the current school year. Valerie Geiger and Sarah Norris are the Seniors who received this honor.

The club is planning to participate in the PTA Halloween Carnival by sponsoring a food booth, with Barbara Myatt and Patsy Batchelor to have charge of arrangements for this project.

Mr. and Mrs. L. H. Strickland of Hollywood spent the past week in Pahokee visiting their brother-in-law and sister, Mr. and Mrs. C. A. Stuckey.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$32.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,372.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$30,000.

Now even better! Invest more in Savings Bonds!

Lytal Named Head March Of Dimes

The man who last year successfully organized the county-wide "Teens Against Polio" for the annual March of Dimes will serve as the 1958 chairman for the county fund drive.

He is County Commissioner Lake Lytal, long time civic leader and community service volunteer. Lytal's acceptance of the January March of Dimes chairmanship was announced by George Hulme.

Lake Worth, chairman of the Palm Beach County Chapter of the National Foundation for Infantile Paralysis.

The new chairman said he will immediately launch advance work on the drive and will begin to set up a county-wide fund raising group to handle the campaign.

"Despite the fact that we now have the Salk program," Lytal said, "there still remains an urgent need to raise funds to combat polio. Palm Beach County's polio organization is still taking care of many victims of the disease—victims who were stricken before we had the Salk program and who still need specialized care and treatment."

The fund campaign will follow the pattern of past years with special emphasis on the annual Mothers March against polio, Lytal said.

The new chairman, in addition to serving the March of Dimes group in the past, has long been associated with city, county and state tuberculosis and health groups; state and county welfare and dependant children's organizations, Little League and Pony League baseball and an active part in the Kiwanis Club youth program.

hawks called upon their halfback, Ira Westbrook, for a field goal attempt from the 7-yard line and it was successful for three points.

The Blue Devils began to show class in the second quarter when Backs Wayne Elliott, Richard Weeks and Wayne Unwin carried the ball from their own 48-yard line to the Seacrest 16. At that point Quarterback Richard Shackford kept the ball in a running play through the center of the line for 13 yards down to the Seacrest 3-yard line and in the next play Shackford sneaked through the line for the TD. Wayne Elliott cut through left tackle for the extra point.

A short time later in the same quarter the Blue Devils took a Seahawk punt from deep in their own territory on the Seahawks 45 and ran it back to the 25 but a 15-yard penalty moved it to the Seacrest 40. Robbie Walker advanced the ball through the line for eight yards to the 32 then caught a pass from Shackford for twelve more yards to the Seacrest 30. Shackford then passed to End Alvy Early who caught the ball in the end zone for the TD. Unwin's plunge for the point was short.

Although Pahokee had possession of the ball in most of the third quarter Coach Web Fell's men were unable to penetrate deeper than the 19-yard line in Seacrest territory.

The Blue Devils scored again early in the fourth quarter when a Seahawk pass was intercepted by Alvy Early on the Pahokee 43 and he ran it back 40 yards to the Seacrest 17. After Pahokee advanced the ball in two tries to the 10, Weeks went across the goal line but the ball was called back to the Seacrest 19 on a clipping penalty. Shackford then passed to Early who was again safely in the end zone when he connected for the TD. Elliott's attempt to breach the line for the point was not successful.

In the last minute of the fourth quarter Robbie Walker intercepted a Seahawk pass on the Pahokee 20 and ran 80 yards for a TD which was nullified by a clipping penalty that brought the ball back to the Seacrest 31.

Frequent penalties were called by the officials on both teams but the Blue Devils were hit the hardest by infractions for a total of 125 yards during the game. Alvy Early's punt and pass receiving as well as Richard Shackford's quarterbacking and passing gave the fans some thrills during the game but they had able assistance from other members of the squad.

LOOKING FOR A "MODEL-YEAR-END" BARGAIN?

Then check these facts that prove that FORD is your best buy!

Ford has been the best buy throughout the '57 season. And now that the model-year end is here, Ford's an even better buy. To make room for our '58's, we are offering you buys that have never been equaled.

YOU SAVE WHEN YOU BUY FORD!

Model for model, right across the board, Ford cars are the lowest priced * of the low-price three.

YOU SAVE WHEN YOU DRIVE FORD!

Ford showed dramatic proof of its low-cost operation in the only nationally recognized test of gasoline economy—the 1957 Mobilgas Economy Run. In a field of twelve different makes of cars, a Ford Six delivered more miles per gallon than any of them.

YOU SAVE WHEN YOU TRADE A FORD!

Ford is worth more when you buy and when you sell it, too! *Based on comparison of manufacturers' suggested retail delivery prices

MAKE THE ACID TEST:
